Nevertheless, the payment of dividends must be approved by the shareholders' meeting. However, the Board of Directors may from time to time pay dividends to shareholders when the company considers it profitable to do so and upon the payment of interim dividends, such dividends shall be reported in the following shareholders' meeting. In addition, the Company has a policy to pay dividends based on the separate financial statements of not less than 60 % of the net profit from the separate financial statements after deduction of corporate income tax and other reserves of all types as stipulated in the relevant laws and regulations of the company by taking into account the operating results, cash flow, financial liquidity, financial position, investment plans, the need to use as working capital for business management and expansion, economic conditions, and other factors as the Board of Directors deems appropriate. Such dividend payment does not significantly affect the Company's investment plans and normal operations and is subject to cash flow, necessity, and other appropriateness in the future of the company and its subsidiaries and in accordance with the conditions the company has towards financial institutions.

As of 31 December 2025, the Company, the Company has net profit of separate financial statement at the amount of 535,768,478 Baht, which represents profits at the rate of 0.59 Baht per share. The details of the dividends payment ratio for the past years are summarized as follows:

<b>Detail of Dividends paid Declaration</b>	<b>2025</b>	<b>2024</b>
Earnings per share (Baht)	0.59	0.59
Dividend per share (Baht)	0.595	0.60
Payout ratio (%)	100.0	99.0

**The Board's Opinion:** The Board of Directors has agreed to propose to the Annual General Meeting of Shareholders for the year 2026 to consider and approve the dividend payment from the Company's 2025 operating results in the approximately amount of Baht 536 million at Baht 0.595 per share, or equivalent to 100 percent of the net profit of separate financial statement for the total number of 960,000,000 shares as the Company's issued and paid-up share capital, (deduct the repurchased shares on 26 February 2026 in the amount of 59,994,900 shares, the remaining are 900,005,100 shares). However, the Company has already appropriated its legal reserve which met the amount required by law.

The Company has already paid an interim dividend in cash to the shareholders on 5 September 2025 at Baht 0.250 per share or equivalent to Baht 225 million. Therefore, the Company shall distribute the remaining of dividend to the shareholders at Baht 0.345 per shares or equivalent to the totaling approximately Baht 311 million which shall be proposed to the Shareholders' Meeting for approval (Such dividend payment shall be further proposed to the Annual General Meeting of Shareholders for the year 2026 for approval).

**Item No. 5 To consider and approve the appointment of the Company's external auditors and fix the audit fees for the year 2026**

After 7 years, the auditor must be rotated although he/she can be re-appointed after a break of 5 consecutive fiscal years.

**The Audit Committee's Opinion:** The Audit Committee recommended the appointment of auditors from PricewaterhouseCoopers ABAS Company Limited (PwC) as the Company's external auditors for 2026. This is the 10 fiscal year for PwC (fiscal period 2017 to 2026). PwC
